## NON-SKITA RULES SUMMARY - PLEASE READ!

**FIRST TIMERS' DIVISIONS:** These divisions are intended for competitors competing for the **FIRST TIME**. It's our goal to make their first tournament a FUN and MOTIVATING experience. The emphasis of these divisions is PARTICIPATION and GAINING EXPERIENCE.

**RULES:** Kata - Each player will perform their Kata ONCE, and receive the same score. Sparring: Each player will spar ONE match, paired with another player of closest physical size & belt rank. The first player to score 5 points, or player to accumulate most points after 2 minutes WINS, which ever comes first.

**FLAG SPARRING:** (Divisions A-311 to 319). Objective - To grab opponents (2) flags. Flags are located on players sides/hips. First player to grab both flags wins.

**UB TAG TEAM:** (Divisions A-327 to 332) 3 person team. Each team must have a captain and co-captain designated before the division begins. Team members may come from any school. Teams will fight for three minutes. The winner is the team that accumulates the most points at the end of the three minute round. Each tag team competitor must tag in no less than three (3) times. If at the end of the match, all competitors on each team have not fought at least three times, that team will be disqualified. If a member is injured or disqualified, the other two members will finish the competition. In the event of a tie score at the end of three minutes, each team will send their captain in to compete. If the captain is unable to compete, the co-captain is responsible. (the co-captain will compete against the captain of the other team) Tag team sparring events are for exhibition only and do not earn points towards the finals. Tag team may be of both genders and any belt rankings as long as they are within the required age group. Limit: only one coach per team. If any competitor is disqualified before being in the ring three times, the entire team is disqualified. Target areas and points scoring values will be the same as in point sparring. SKITA point sparring rules will govern these divisions.

**PADDED STICKFIGHTING:** Padded Sticks only (Provided) Safety equipment must be worn. Points to win - 5 points, or who ever is ahead at the end of 2 minutes. Scoring areas; 1 point for arm or leg, 2 points for torso-no spine, 2 points head, no neck. Contact - slight penetration to opponent. No blood. Blood caused by contact will result in automatic disqualification. **No Exceptions.**
